**Re: Character Reference Glen Mollett**

To Whom It May Concern:

I have known Glen for the past year while he has worked as a New Business Account Manager in my PIPEX sales department. I have been consistently impressed by his interpersonal and communication skills that have allowed him to develop productive working relationships with both our clients and our staff. Not only does he get on well with everybody professionally but fits in very well socially too.

Glen is a component and a stakeholder of the development of the professional culture we hold within the PIPEX sales department.

Having worked closely with Glen for a significant period of time, I can, without prejudice, vouch for him, both as an employee and as an individual.

Please do not hesitate to contact me directly, should you require anything further from myself.

Regards,

K.E. Thomas
